

## Freeze your credit report:

You need to do this at all three major credit bureaus (Equifax, Experian, and Transunion), and it is free. Freezing restricts access to your credit report, and fraudsters cannot use your identity to get credit. Do this for children also.

## Thank you note!

Paul was an absolute apple genius setting up my new Mac Book Air – as well as last Monday advising me on what I should purchase. His side kick, Paula, kept us moving and I am happy to enclose a \$100 check donation to “the club” so other members can be so pleased.

Thank you.  
Caroline Long

## Hi everyone!

Just a note to say hello and hope all of you are doing well. Thanks so much for all your help over the years. You guys do a tremendous job for the lake folks.

Joe says hi to everyone. He misses seeing all of you from time to time.

Continue your good work. I know the community appreciates it, as we have.

Cordially,  
Shelly & Joe Dean

## Beware of Scammers!

Never have a conversation with a spam caller. Let all unknown calls go directly to voicemail. Once a scammer gets you on the line they can clone and create a voiceprint which can be used in future crimes.
