November 11th meeting

Our guest speaker will be Fillmore Bowen who will discuss cyber / internet / phone / device security! Fillmore has joined us before and always gives a very interesting presentation.

Later, we will be voting on a few bylaw changes. Among those changes will be one to shorten the term for board members to one year (it had been 3 years). Then we will elect and install the new board members for 2026.

October 14th Meeting Recap

Larry Java showed some very convincing videos on scamming, ransomware, identifying scam emails, texts, and social media. How to identify a scam and avoid them.

Larry provided copies with his presentation and sent it out to all members. Take time to watch the videos if you were unable to attend the meeting.

December 9th Holiday Meeting!
Lots of Food, Prizes and Some Auctions!

This holiday celebration will again be filled with good food, door prizes, silent auctions!

Bring a Dish to Share!

Then we will have a video from Ask Leo!
