November 11th meeting Recap

Our guest speaker was Fillmore Bowen who discussed cyber / internet / phone / device security! Phil has joined us before and once again gave a very interesting presentation.

We voted on a few bylaw changes. Among those changes was one to shorten the term for board members to one year (it had been 3 years). Then elected and installed the new board members for 2026.

HAPPY THANKSGIVING!

Follow these check-writing tips to keep your checks safe:

- Use permanent ink so it's harder to erase.
- Don't leave empty spaces before or after payee or in the dollar amount space.
- Sign the same way every time.
- Mail checks from inside the Post Office.
- Monitor your accounts and verify cashed checks for correct payee and check amount.
- Consider using alternative ways to pay such as Online Bill Pay, Zelle or Venmo, or use auto pay draft from your account.
