

Club & Tech Trivia

As the Board looks forward to our 2023-24 year, we want to plan events, education & training activities, & member meeting presentations that meet our members needs. We have been unable to find more members willing to serve on the board or committees. PLEASE give this request your consideration and contact me if you are willing to serve on the board.

Thank you to all our members who turned out for our Sept. Member Mtng. Our speaker came from Wilmington to give us insightful ideas & comments on how Dr. Coughlin and the MIT Agelab which is working on aging and technology!
