- 2- That you respond to a text, email, call from IRS or State Tax Office. IRS/State Tax Office NEVER uses these means to contact you about your taxes. They use snail mail.
- 3- That you respond to text/email that you have a package undelivered- One that you never ordered-if you open this you expose your device to a hacker!

Be smart, keep your device clean & up to date & alert to hackers and scammers who want your \$, your Identity, & access to your device.
